

NOTICE FOR CITY OF ANDOVER

NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PUBLIC MEETING

Overall Summary

The City of Andover is required to comply with the latest state storm water quality regulations. The City is authorized to discharge storm water into our lakes, rivers, streams and wetlands as long as it meets the permit requirements as administered by the Minnesota Pollution Control Agency (MPCA). The City accomplishes this by operating a series of Best Management Practices (BMP's), which are found in the City's Storm Water Pollution Prevention Program (SWPPP).

A public informational meeting will be held during the City Council meeting, 7:00 p.m. Tuesday, February 7th at Andover City Hall. This will be preceded by a brief presentation by the Coon Creek Watershed District (CCWD) on their objectives and working relationship with cities like Andover.

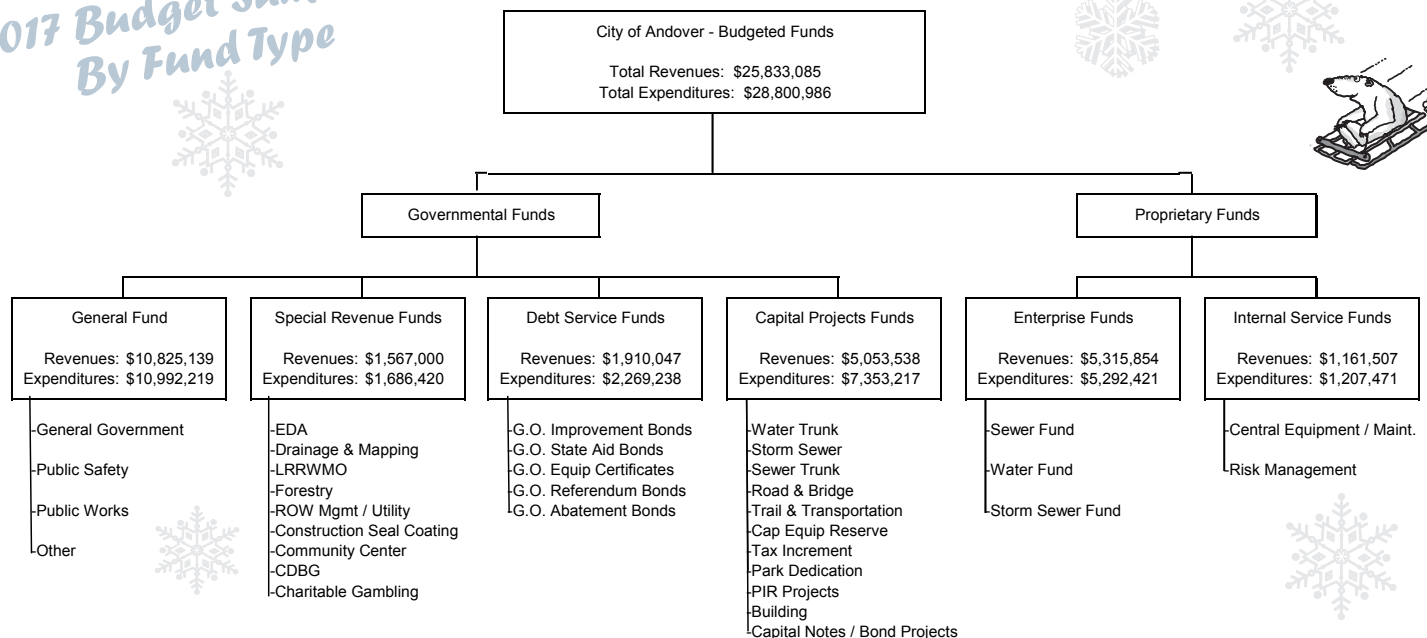

Meeting Components:

- The public will have an opportunity to make oral and/or written comments on the adequacy of the City's program.
- To request a copy of the City's SWPPP contact City Hall or visit the City's website at www.andovermn.gov and follow the links: Your Government, Natural Resources, NPDES Phase II Program/Water Quality.
- The City will consider comments received, modify its SWPPP accordingly and include them in its Annual Report to the MPCA.

CITY OF ANDOVER 2017 BUDGET & CERTIFIED 2017 PROPERTY TAX LEVY

*City of Andover
2017 Budget Summary
By Fund Type*

CITY OF ANDOVER 2017 Budget Summary By Fund Type

Each year the City Council is required by state law to adopt an annual budget and submit a property tax levy certification to Anoka County Property Records and Taxation Division. The deadline for the 2017 budget was December 28th. The 2017 Budget and Tax Levy certification were adopted by the City Council at the December 6, 2016 regular meeting.

The 2017 Budget and Levy certification are the outcomes of budget workshops with the Council and numerous staff meetings. The overall City of Andover 2017 Budget proposes total revenues of \$25,833,085 and total expenditures of \$28,800,986. The \$2,967,901 of expenditures over revenues is largely due to the use of fund balance in the General Fund (\$167,080), the Debt Service

Fund (\$359,191), the Road and Bridge Fund (\$570,944) towards state aid designated roadway projects, the Trail & Transportation Fund (\$522,800) for the construction of a trail segment, in the Tax Increment Projects Fund (\$696,990) towards redevelopment projects and some offsetting increases/decreases in other funds.

COUNCIL MEMBER'S REPORT

Valerie Holthus

Winter is a good time to start planning for that summer remodeling project. Remodeling projects can completely transform your home and bring both aesthetic value and monetary worth.

There is no better time than when snow is on the ground to search for contractors, obtain bids, evaluate options and apply for permits. State law requires homeowners to have the proper permits ensuring home remodeling projects are finished correctly. Poorly constructed additions or other improvements may cause a health and safety risk, and devalue the property. When attempting to sell your home, it is important to be sure that all work has been legally permitted, or the home owner may need additional work to bring the house up to code.

A building permit is required before any construction begins. Building permits are needed to construct, add onto, alter, remove, demolish or repair a structure. Permits are required for any alterations, additions or remodeling to your home. Permits are also required for basement finishes, re-roofing, re-siding, swimming pools, garages, sheds, decks, gazebos, porches, etc.

Mechanical Permits are required for the installation or replacement of mechanical systems in new and existing structures which includes air conditioners, air exchangers, furnaces and gas fireplaces. Plumbing permits are required for fixtures in new construction or alterations in existing structures. Permits needed for plumbing work include water heater replacement, installing lawn irrigation/sprinkler systems, and adding a new bathroom. However, if your bathroom already has the fixtures roughed in and only setting the fixtures is necessary then no permit is needed. Septic installation permits are required to install new septic systems or to repair existing septic systems. Septic Pumping Permits are required to pump a septic tank. The licensed septic pumper will obtain the permit.

The City of Andover has made it very easy for residents or their contractors to apply for permits on-line, 24/7.

The permitting process can be completely accomplished by filling out the appropriate application, and residents and/or their contractors are able to pay for the permit without having to go to the City Office during open hours. The permit process takes 3 to 5 days in order to review plans and complete the permit. City staff also verifies that the contractor has a State License with the State of Minnesota Department of Labor & Industry. For more information on permits and inspections contact the Andover Building Department at (763) 755-8700. Office hours are Monday – Friday from 8:00 a.m. to 4:30 p.m.

Mark your calendar for the North Suburban Home Improvement Show on Saturday, March 11th (see page 6).

CITY OF ANDOVER 2017 BUDGET & CERTIFIED 2017 PROPERTY TAX LEVY

Continued from Page 1

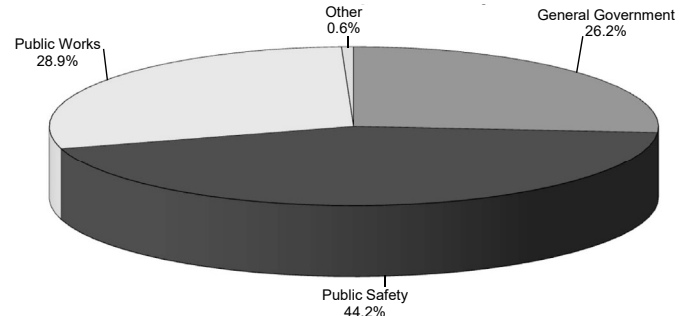

The 2017 Budget proposes a total property tax levy of \$11,938,555 of which, \$1,610,047 is classified as a special levy for the payment of debt. In summary, the proposed tax levy yields a 2.97% percent increase in the gross levy over 2016 through growth identified in the City's tax base.

This article contains the City of Andover 2017 Budget in summary form, a property tax rate comparison and various charts and graphs. For further information on the City of Andover 2017 Budget, please view on the City website www.andovermn.gov or call the City Administrator / Finance Director, Jim Dickinson at (763) 767-5110.

PARK PLACE

Well here we are at the midst of the winter season and the City is already working on planning for 2017 park improvements. Some of the park improvements that the City will be working on over the next few months to get ready for summer construction include replacing the damaged playground equipment with new equipment at Shadowbrook East Park and replacing the existing equipment with new equipment at Chesterton Commons Park. Both parks will have new fall zones and new concrete borders where needed around the playground structure. The Park & Recreation Commission met with the neighborhood near the Chesterton Commons Park to discuss the results of the survey and what should be done at this park at their December 1, 2016 meeting.

As far as other projects coming up for this summer, a new irrigation system will be installed at Andover Lions Park and at one other smaller park where City water is available. Nordeen's Park is proposed to include a new basketball court. Other park improvements include upgrades to Fox Meadows Park which will include two new irrigated football/soccer/lacrosse fields. The new layout will include one full size field and one smaller field that can be used for games or practices.

If you are a winter enthusiast, Andover offers many opportunities to enjoy the winter activities including ice skating, cross country skiing, snowshoeing and downhill sliding. A number of these activities are located in City parks or you can check out

one of the Regional County Parks (Bunker Hills and Rum River Central Parks) for winter activities they offer.

For further information regarding City parks, free park maps are available at City Hall or visit the City of Andover's website at www.andovermn.gov. If you are interested in County parks, you can stop by the Bunker Hills Activity Center on Bunker Lake Boulevard or visit the Anoka County website at www.anokacountyparks.com.

If you have questions about any of these projects or parks in general, feel free to contact Todd Haas at the City at (763) 767-5131.

RELEASE OF A NEW RESIDENT REPORTING TOOL

The City is releasing "mapFeeder Connect" which runs through the web browser on your PC, laptop, tablet or phone. With mapFeeder Connect you are able to log issues directly to Public Works that you see while you are out and about in the community such as pothole, broken park bench, etc. The more information you can give us the better so we can respond in an effective and timely manner. The reporting tool can be found on the City's home web page under REPORT A PROBLEM.

COMMUNITY GARDEN UPDATE FOR 2017

For those that are interested in gardening and were not fortunate enough to rent a plot in 2016, the City in partnership with Grace Lutheran Church will continue having Community Garden plots available in 2017. However by the time you receive this newsletter, some of the plots will most likely have been sold for the upcoming season to those who rented last year. As of right now if you are a current resident of Andover or if you are an individual employed by a business or other agency located within the City of Andover, starting January 3rd you will have the first opportunity to submit an application and pay the fee for any plots that are remaining. Beginning March 27th, the garden plots will be open for purchase to the general public, including those who do not live or work in the City of Andover. On April 17th, rental of additional plots will begin, if some are still available.

All plots are the same size (20 ft x 30 ft). The new fee for each plot is \$40.

The fee collected pays for the use of water for the gardens, the topsoil purchased for the site and installation of the water service. Applications along with Guidelines to Happy Gardening are available on the City of Andover's website or stop by City Hall.

If you have questions about the Community Garden Plot, feel free to stop by City Hall or contact Todd Haas at the City at (763) 767-5131.

PRESCHOOL FAIR

The Andover/Ramsey Moms Club will be hosting a FREE Preschool Fair on Friday, January 20th from 5:30-7:30 p.m. at the Andover Community Center. It's a great opportunity to meet various preschools throughout Anoka County in one location. We'll have prizes, food and activities as well. We ask that you bring a non-perishable food item to donate to the ACBC Food Shelf. We'll also be accepting cash donations. For each food item donated or \$1 donate, you'll be entered into a drawing for various gift certificates to local merchants. The Andover Community Center is located at 15200 Hanson Blvd. NW, Andover. If you have any questions, please contact Jenni Kulseth at jenni.kulseth@gmail.com.

ACTIVITIES

FOREVER WELL: ACTIVE OLDER ADULT ACTIVITIES

You do not need to be a member of the YMCA to participate in many of the active older adult activities at the Andover YMCA Community Center. Monthly activities include pot-lucks, cribbage, dime bingo, music jam sessions, educational seminars and classes, craft & hobby hours, fitness opportunities and more!

Stop by for a copy of the monthly Forever Well activities newsletter or visit www.andovermn.gov/acc and click on the Activity Calendars Tab. If you have specific questions, please contact Jodi Blowers at the YMCA at (763) 230-6552.

INDOOR WALKING

Indoor walking hours are Monday – Friday, 5:00 a.m. – 9:00 a.m. All walkers must sign in at the YMCA front desk each morning. Admission is \$1 day or purchase a season walking pass. YMCA members are required to scan their membership cards upon arrival.

PICKLEBALL

The Andover Community Center offers weekend, weekday and evening times for all levels of play. Admission is \$4 or save money by purchasing an ACC punch card. Bring your own paddle or a limited number of wooden paddles are available for use. Graphite paddles available to rent. If you've never played pickleball before, stop in on Monday mornings for FREE Instructional Pickleball.

SUNDAY NIGHT OPEN VOLLEYBALL 16+

Open Volleyball is held most Sunday evenings at the Andover Community Center for ages 16 and older. Guidelines include limiting game score at 21 points, no claiming courts and if other groups or teams are waiting to play, we ask that your group play one game and rotate out to let waiting groups and teams play. Refer to the monthly gym activity calendars, as volleyball is not offered all Sundays.

OPEN ADULT HOCKEY

Drop-in Adult Open Hockey 18+ is offered most Monday, Wednesdays and Fridays from 11:30 a.m. – 1:00 p.m. Admission is \$5 per skater, goalies skate for free. Helmets and gloves are mandatory. Check monthly activity calendars for dates and times.

OPEN BASKETBALL & OPEN ICE SKATING/HOCKEY

The Andover Community Center field house (gymnasium) and ice arena activities are open to the public, daily admission fees apply, you do not need to be a YMCA member. Specific dates and times can be found on the ACC Activity Calendars.

GROUP EVENTS, PARTY PACKAGES & FIELD TRIPS

The Andover Community Center is a great place to host your next group event, field trip, birthday party or bridal/baby showers. The Andover Community Center offers multiple activities for your guests. Ice skating (skate rental available), field house/gym space, meeting rooms and YMCA aquatics (slides & features).

Field Trip Fun!

SKATE RENTAL AVAILABLE \$3

PROGRAMS

TOT-TIME OPEN GYM

Tot-Time Open Gym is a non-structured indoor playtime for youth ages 6 & under. No need to pre-register, attend when it works for you! Meet new friends, socialize and let the kids play with age appropriate toys and sports equipment. Special activities, including inflatable bounce houses, story time, crafts and book swap will occur throughout each month. Tot-Time open gym meets in the fieldhouse, where there is lots of room to run and have fun! Tot Time meets most Mondays and Tuesdays from 9:30 a.m. – 11:30 a.m. Adult supervision is required, 1:4 ratio. Daily admission fees apply for children, save money by purchasing a punch card. Monthly Tot Time activity calendars are available on the website or in lobby racks.

ACC 3 V 3 MITE HOCKEY

The Andover Community Center Ice Arena will host ACC 3 v 3 hockey for mites looking to extend their hockey season. This program is available for both boys and girls and open to the public (not just Andover residents). 3 v 3 cross-ice hockey promotes offensive skill development by playing in a small area and having fewer players. This format gives all players more time with the puck and encourages creativity. Players participating in this program must have previous hockey experience. Registration

Website: www.AndoverMN.Gov/ACC • Email: accinfo@andovermn.gov • Main Phone: (763) 755-3238

is limited and accepted on a first come, first serve basis. Cost is \$109 per skater (includes jersey). Program will be held March 21, 26, April 2, 9, 18, 23, 30 and May 7 (8 sessions). Specific playing times and registration information available online.

INDOOR YOUTH SOCCER

The Winter Andover Indoor Youth Soccer Program will be held January 14th – March 4th (8 sessions) for boys and girls ages 4 - 9. This recreational program will focus on individual skill development and having fun. Teams will practice skills for the first 30 minutes then scrimmage against another team for the remaining 30 minutes of the program. This program is a great start for beginners and fun for those who have already played organized soccer. Registration fee is \$89 per player, which includes a team t-shirt and award. Teams will be organized into 4/5, 6/7 and 8/9 year old age divisions. Unfortunately the 8/9 age division is full.

INTRODUCTION TO ICE LESSONS

A great program to introduce the sport of ice skating to students ages 3 - 6 who have no skating experience. Each class is 30 minutes in length and features age appropriate, off and on-ice activities including games and music. This program meets for 3 or 4 sessions. Weekday and weekend classes available, visit the ACC website for more information and upcoming program dates and times.

ICE SKATING LESSONS – ANDOVER SKATE SCHOOL

The Winter ACC Ice Skating Lesson Program for youth ages 3 and older will be held January 7th – February 25th on Saturday mornings (8 sessions) \$95 per skater. Lessons include 30 minutes of instruction and 30 minutes of on-ice practice.

SEEKING ADOPT-A-POND VOLUNTEERS

Do you live on or near a pond? Do you already pick up trash while on walks in your neighborhood? Do you want to do some City volunteering to help improve the environment? Then consider "Adopt-A-Pond." The City has an Adopt-a-Pond program to garner public participation in helping to keep our ponds and wetlands clean. Call Kameron at (763) 767-5137 if you want to find out how to "adopt" your pond.

1:00 p.m. to 8:30 p.m.
- Wednesday & Friday
1:00 p.m. to 8:00 p.m.

WINTER REMINDERS FROM PUBLIC WORKS...

✓ **MAILBOX REQUIREMENTS** - The base of the box should be 48-50" above street level. The post should be 20" back from the curb. The face of the mailbox should line up with the curb. The snowplow wing needs the 48" height clearance to avoid hitting the box and the 20" from the curb to clear the post. The City does **NOT** assume liability for mailboxes damaged during plowing operations, unless it is determined the plow made direct contact with a mailbox that is properly installed using the standard 4 x 4 post and metal box requirements. Decorative mailboxes are not within the requirements and will not be replaced if damaged. The mailbox should be secured to the base and post and the post securely in the ground, no rotting wood. There should not be any plastic newspaper tubes or attachments to the mailbox below the 44" minimum height requirement. (See mailbox placement diagram on the City web site at andovermn.gov).

✓ **TRAILS** are plowed during the regular scheduled working shift with the exception of trails within a 2-mile radius of a school. These trails are plowed as soon as possible during regular plowing operations.

✓ **CUL-DE-SAC** streets are plowed by smaller snow removal vehicles. You may notice the large plow truck will clear one path while turning around in the cul-de-sac, but the smaller plows will clear the street curb to curb. Plow operators try to evenly distribute snow throughout the cul-de-sac, but limited space makes it difficult.

Reminder to keep cul-de-sacs clear of all sports equipment such as hockey nets and basketball hoops. Plow operators cannot leave the vehicle to move objects left in the road.

✓ **DO NOT plow, shovel or blow snow ONTO or ACROSS any public roadway.** Minnesota State Statute 160.27 -

The Minnesota Department of Transportation reminds everyone it is against state law to deposit snow onto a public roadway. Dumping or plowing snow onto a roadway can create a slippery area, frozen rut or bump, which has the potential to contribute to a motor vehicle or pedestrian accident.

MN Statute 160.27 and many local ordinances prohibit the plowing, blowing, shoveling, or otherwise placing of snow from sidewalks, driveways, and parking lots onto public roadways. The public is cautioned that violations are misdemeanors and civil liability can extend to both the property owner and the person/company who placed the snow improperly.

✓ **GARBAGE CANS/recycle bins** should be placed approximately 2 feet behind the curb **IN** the driveway. Plow operators cannot leave the vehicle to move objects left in the road.

✓ **SPRINKLER SYSTEMS** placed in the curb right-of-way are not the responsibility of the City if damaged during snowplowing operations.

✓ **SOD DAMAGE** caused by the snowplow during plowing operations will be repaired in the spring by the Street Department with black dirt and seed. If you have damage and would like it repaired, feel free to call the Street Department at (763) 767-5178 to be put on a list for spring repairs.

✓ **NO PARKING** on any City street after 2 inches or more snowfall until the streets have been plowed curb to curb. The City of Andover observes a parking ordinance during the winter months, which is **NO PARKING** on any City street between the hours of 1:00 a.m. to 6:00 a.m. from November 1st to April 15th. Cars parked or left unattended in a City street during plowing operations will be tagged and towed.

✓ **CITY PARK** parking lots that are **NOT** required to stay open during winter months will not be plowed.

✓ **TREE TRIMMING** is done during the winter months when the Street Department is not busy with snowplowing. Fall and winter are the best times to prune or remove trees blocking signs, obstructing traffic visibility or in the right-of-way. Feel free to contact the Street Department at (763) 767-5178 with any questions or concerns.

DATED MATERIAL

LIBRARY FOCUS: FREE “WINTER READS” PROGRAM

Have you been thinking of getting back into reading now that holidays are over and colder times have come? To jumpstart your batteries for books, join Anoka County Library’s free “Winter Reads” program for adults in January and February.

Participants receive special bookmarks, along with short review forms to fill out for books they read during this time. Completed reviews then become tips about books for library users, as well as entries into drawings for prizes. And with no limit to number of entries, each added review expands chances of winning. Too, with our greatly expanded eBook and eAudio collections in

cloudLibrary, you won’t even need to leave the warmth of home to access a host of fine reads this winter.

“Winter Reads” will also offer author events: Kevin Kling (Saturday, 1/21, 1:00-2:00PM, Rum River Library), Brian Freeman (Wednesday, 2/8, 6:30-7:30PM, Northtown Library), and Allen Eskens (Saturday, 2/18, 1:00-2:00 P.M., Circle Pines City Hall). For more on “Winter Reads” and other activities—including our Library Mini Golf event on Saturday, 3/11/17—please contact Rum River Library, 4201 6th Ave. NW, Anoka, (763) 576-4695, or anokacountylibrary.org.

OUTDOOR WINTER CLASSIC

Youth Hockey Tournaments

January 13th & 14th

City Campus Outdoor Rinks

The public is invited to help cheer for our youngest boys and girls (ages 5-9) as they participate in this outdoor regional tournament hosted by Andover Huskies Youth Hockey Association. Over a thousand guests are welcomed to Andover’s outdoor rinks from our region for this exciting tournament. Food vendors on site. Parking at Sunshine Park.

CROOKED LAKE ANNUAL MEETING

Residents are invited to find out what’s happening with Crooked Lake. Please come to the annual meeting of the Crooked Lake Area Association on Thursday, February 23rd at 7:00 p.m. (doors open at 6:30) at the Crooked Lake Elementary School. Refreshments provided.

FREE CPR/AED TRAINING

Who? Andover residents, ages 12 and up

What? Free CPR/AED training with practice session

When? January 19th, 7:00 – 8:00 p.m.

Where? Community Room, Anoka County Sheriff’s Office, 13301 Hanson Blvd. NW, Andover

Why? Be prepared to recognize the signs of sudden cardiac arrest so you can respond quickly to help save a life while waiting for emergency services to arrive.

Reservations suggested. Send email with name and number attending to Laura Landes at laura.landес@co.anoka.mn.us or leave message at (763) 767-4664. Training by the Heart Safe Andover Team. Follow events: Heart Safe Andover Facebook.
